----- Time is a Place is a turn based strategy game where you play as an agent who's dispatched by the NSA to investigate a rogue agent of the future called "Cort". As Cort grows in her powers, she creates an artificial intelligence, and sets out to take over the world. You play as the NSA agent sent to investigate her crimes, and your goal is to discover and foil Cort's plot. Time is a Place is a game where you get to learn and solve puzzles using your imagination. The game is procedurally generated, so you never know what you're getting yourself into. ===== System

Requirements: ----- *Windows 7/8 *Intel i5 3.20Ghz or faster (4+Ghz for Ultra settings) *4GB RAM *DirectX 11 *HD Video card with 512MB of VRAM *25GB HD space =====

T&C's ApplyJYJ's Kim Jaejoong will be making his solo debut in July! On July 15, Kim Jaejoong held a press conference for his first solo concert, "Brand New Dream." During the event, he officially announced the concert date, July 15, at the Seoul World Cup Stadium and told the audience, "I am grateful to be able to present this performance to you." Kim Jaejoong will be singing the ballads and tracks from his upcoming album "#MYMY." He chose some of his favorite songs that he has sung while he has been with JYJ. "Baby Don't Cry" and "Darling" were chosen as his tracks. "Darling" was made into a solo track and the song is very close to Kim Jaejoong. "#MYMY" is currently in pre-release stage and will be released on July 21. Kim Jaejoong said, "The '#MYMY' track '#MYMY' is very heartwarming. I wanted to present it with my own vocals. I hope you will enjoy the songs I sing." Kim Jaejoong also shared a photo of his poster for the solo concert. He said, "I am very thankful to have the opportunity to perform on stage again as a solo artist. It's not an easy feat to convey your music to an audience. I hope everyone will enjoy my performance." Source (1) Hydrogen and deuterium binding to nifedipine. The equilibrium isotope effect on the complexation of nifedipine (NIF) with deuterium atoms was investigated by capillary electroph

What's new:

Digital LLC Announces Record High Year in 2019 New York, N.Y., January 24, 2020 - Lightfish Digital LLC, a New York based technology company specializing in helping global brands run their organizations more efficiently by combining their internal electronic content, video, and analytics with Akamai's digital assets, distribution and measurement services, today announced a record-setting year for its digital advertising and marketing services. Since the beginning of 2019, Lightfish Digital has been delivering content and analytics to more than 100 global brands, including Nickelodeon, Uni Candles, Toyota, General Electric, and even the United States Army. The company achieved impressive growth and additional major partnerships in 2019 that will place them on a path to have a substantial reach and impact for 2020 and beyond. The company's record-setting growth continues to demonstrate the critical need for robust tools and services when it comes to running a successful digital ad and marketing strategy. "2019 was a year of growth and expansion for Lightfish Digital. In the last half of the year, we closed another one of our largest acquisitions ever, launched 2 key products and services, added some incredible talent to our team, as well as gained a substantial number of additional clients and new partnerships,"

said Jim Berkoff, CEO, Lightfish Digital. “While much of our success in 2019 may be attributed to new, large-scale clients, it will be built upon even more in 2020 as we continue to help companies create distinct experiences for their digital media capabilities. Having executed on a vision like this since the beginning of 2017, 2019 has definitely been a banner year for Lightfish.” In 2019, Lightfish Digital was recognized as one of the “best places to work in Advertising” by the website Great Place to Work®, as well as one of the “Best Places to Work in Marketing” by the website Vocus. “We are continually humbled by our clients’ trust and confidence that we are able to deliver on the often challenging mission of creating and measuring digital media that deliver the right scale of reach and impact,” said Sheryl Alberghini, Head of Global Markets at Akamai. “Our clients can count on lightfish’s expertise in helping drive measurable impact across the entire lifecycle of a video or campaign, including ensure a strategic framework is in place that matches size and scale with the purpose.” Product Highlights in 2019
