

Facebook: Twitter: Steam Group: Playroblox is a free Roblox Online Playground. This is an online platform for developers to create free games in a game engine called Roblox. The games developed can be fun and addictive. It's a great way to relax after a long day. Based in Santa Monica, California, Roblox Corporation was incorporated in June 2004. The company is publicly traded on NASDAQ under the stock symbol "ROLOX" and in Canada under "RBLOX". The Company has raised over \$1 billion to fund the Roblox platform. In addition to the games themselves, Roblox allows users to express themselves through virtual items and events. Roblox is an online game platform and game creation system developed by Roblox Corporation that allows users to program games and play games created by other users. Created by David Baszucki and Erik Cassel in 2004 and released in 2006, the platform hosts user-created games of multiple genres coded in the programming language Lua. For most of Roblox's history, it was relatively small, both as a platform and a company. Roblox began to grow rapidly in the second half of the 2010s, and this growth has been accelerated by the COVID-19 pandemic. Roblox is free to play, with in-game purchases available through a virtual currency called Robux. As of August 2020, Roblox had over 164 million monthly active users, including more than half of all American children under 16. Although Roblox has received generally positive reviews from critics, it has faced criticism for its moderation, microtransactions, and exploitative practices directed toward children.
