When the first OREO cookies were sold in the late 1970s, they were 8-ounces each. They were easy to eat, cost just \$1.25 apiece and sold out by lunchtime. When the first OREO cookies were sold in the late 1970s, they were 8-ounces each. They were easy to eat, cost just \$1.25 apiece and sold out by lunchtime. # and 2-ounce packs followed. Then in 1980, the company introduced the current 10-ounce "impossible to eat" cookies, which were sold in small canisters called "purses." Such large packages proved to be a huge hit. Two years later, after the company had begun selling the cookies in both original-sized canisters and individually wrapped bags, it was selling nearly 200 million bags of cookies per year. These days, according to the company, more than 30 billion cookies are sold each year. "Oreo is the best-selling cookie in America, period," said company spokeswoman Alexia T. Tobey. There are few things like a visit to an American Oreo store. The stores sell the cookies by the thousands — often in such small, single-serving portions that they can be impossible to eat without lots of help from friends. (Perhaps a visit to a friend's house is not the best way to enjoy Oreos, but you'll need to find a way.) And so it's hard to think of a greater cultural icon than the Oreo. If you grew up in the United States, you've probably had 6d1f23a050
