How to play Beach Head 2000

Game on PC/MAC. Beach Head games are awesome. This game is really famous in our Planet. Beach

Head FREE is a game where you can play with more people. That you

can earn money, guns and many other things. If you're looking for a multiplayer game, we suggest that

you try Beach Head: Reloaded PC-game from Excalibur Studio. You

have 6 weapons in Beach Head 2000, you can choose between the

shotgun, the sniper rifle, the rocket launcher, the M16, and the submachine gun. The M16 is a realistic weapon, so you cannot miss a shot if you aim this weapon. But the other weapons have a special feature. If you fire a shot and you press the fire button right after, there is a chance that you can reload a cartridge. If you reload a cartridge, you will use a different type of ammunition. For example, if you reload a rocket launcher cartridge, you will fire a rocket. You have 6 other weapons, like the

RPG, the missile launcher, the pistol and more. If you play with the rocket launcher, you must have a steady hand. Because you cannot miss this weapon. The rocket launcher will destroy some of the enemies. You can only use this weapon on the first level. It is the easiest weapon. This game is really fun, do not miss it. In Beach Head 2000, you have 6 different health, it starts from 0 and it depends on your level. You can choose between two types of health. If you play on single player, you can pick between the

"Instant" or "Classical" health. In "Instant" health, you will lose a health when you take a damage. If you want to be more hardcore, it is recommended to use "Classical" health. You have a set of score cards. The highest score will be saved when you die. And you can get the score cards by 3da54e8ca3
