David W Butler Neurodynamic Techniques DVD. This DVD and handbook is to be used in conjunction with David Butler's text. Sensitive nervous system. is a system with a high degree of sensitivity. This means that nerves and glands, just like in our nervous system, can respond to pressure, temperature, sound and light. When I was a child, my parents were extremely sensitive. According to my father, my irritability was so strong that he couldn't even stand sunlight and before I could talk he was ready to throw me in cold water if I was upset about something.
