Taboo, Katrina Kaif and Aditya Roy Kapoor at an event for Fitoor (2016.n I really don't understand why people hate this movie so much) a lot. It fits very well with Madhav Shahrur's last film on the subject of emigration, the Taj Mahal. It is like a religion that tells a story that is lost to it forever. He doesn't talk about what was or is, but I think the film, like the story as a whole, is about something that should remain a mystery. The two Adjays were perhaps the worst of the script. They have a lot of cruelty and anger. The script was supposed to be different, but it was written in such a way that it could not develop. The film is full of passive enthusiasm of all family members. I think that's another reason why I wasn't particularly inspired. But I really liked the fact that so many young people saved these films from oblivion, and I hope that they will become more popular.
