tanner tools tanner tools download Download I have Windows 10 x64 with the latest version of Visual Studio 2015 installed. I needed tools to build v141, so I downloaded and ... Tanner Toolbox is a project management software. It allows you to quickly build applications, create and edit projects with a user-friendly and clear interface. Tanner Toolbox requires Visual Studio and any .NET Framework to create an application. While Tanner Toolbox is running, the user, at his discretion, is given the ability to: Use templates when creating projects. Create and edit applications according to defined templates.
