STORY It is the third era of the Lands Between. A world bathed in chaos and still does not know the end. The Elden Brothers set out to change the world... A final war ensues. Through their foolish deeds, the Elden Brothers sealed off their own paths and the Lands Between, after which there was no sound of life. **HISTORY** Long ago, a story was told about a hero who swore to protect the Lands Between with his strong sword and shield. But after their fates reversed, the Elden Brothers cursed the world. The lands were plunged into chaos and were never again seen by humans. The Elden Brothers resurrected the world using the power of the crumbling ruins. **STRENGTH** The Elden Brothers have not regained their strength, but are still strong. The Elden Brothers are powerful but weak. **DEFENSE** The Elden Brothers are strong,

but are weak against physical attacks. They have a large shield and can use powerful magical skills. ARMOR The Elden Brothers are physically strong, but are weak against magical attacks. They have a large shield. THE BASIC TRAINING LEVEL Open Skills You need to open the Skills in your Training level. Features Key:

The Wind and Stone Gods have been released into the world, and people have begun to worship them. The Tower of Babel, an artificial world designed by the gods to release the Wind and Stone Gods from the wind and soil, is in search of the followers that it calls upon. To protect the worshipers, the Elden Army continues to wage a war to protect the Wind and Stone Gods.

The deities of the land have moved into the Tower of Babel to reside. The Elden Army is working on constant hostilities with the deities to seal the Tower of Babel to stop the worship of the Wind and Stone Gods, with whom it fights to an opposing god's sake.

You can jump into the Tower of Babel and fight alongside the deities.

In the Tower of Babel, you will encounter scattered worlds where your opponents are.

You will be able to unlock the fascinating worlds where you'll battle, unleashing your power in battle.

Or, you can join together with your friends to battle vast hordes of enemies with high-level equipment. You can fight with your friends and Ryua.

In one world, there are first-person dungeons with non-stop action. In other worlds, players can encounter turn-based battles.

Unlike other online FPS games, you will be able to enjoy RPG elements!

Other game features:

- Duel bosses including the power-up system of WAVE.

Elden Ring Activation

► Fantasy Action RPG ► Create your Own Character ► Connect to Others ► One-on-One Multiplayer Using a third-person camera viewpoint, it is possible to observe the vistas and travel through the Lands Between. You can navigate through the overworld freely, but some areas will become unavailable if you are injured. If you get into a fight, you will be automatically transported to a special area for your opponent and you will be able to take on a variety of monsters in battle. You can customize your character by choosing a race, gender, and appearance. You can also select a class for your character, such as a warrior, hunter, or elf. In addition to your basic equipment, you will have some other options that you can equip. This equipment, which is randomized at the start of the game, allows you to use each skill in battle that best suits your play style, as well as having a variety of special effects. Each class has a unique skill that can be learned. To learn a new skill, you must first gain enough strength to acquire the Learning Point required for that skill. This is done through leveling up while fighting monsters. By equipping in battle, you can gain

many kinds of additional skill increases. By mastering particular skills, you can even learn some of the other skills that the game has to offer. In addition to leveling up your combat skills, you will also be able to learn a variety of special skills that will become available when you obtain your designated class. Each of these skills will have various levels associated with them, which you can raise up to learn that skill. Players from around the world play in the same world. Although this is an online RPG, you do not need to connect directly to other players, but you can freely go to other players' worlds. There is always someone nearby to help you. You can directly talk to other players from the same area in the conversation window, and if you come across other players from different areas, you can converse in their world. You will meet others for the first time when you first enter other players' worlds, but they will become friends if you speak to them for the first time in-game. Online Multiplayer Up to 10 players can play at the same time. Multiplayer Environment The world in which players must progress, the Lands Between. In the Lands Between, the battle for survival
