The most immersive way to play the game ever. Gain points with real-world prize cards that qualify for FIFA points\*, and buy Packs\*, then build the best fantasy team you can. Your choices have real impact on gameplay, and you'll unlock unique, career-defining players. FIFA Soccer 2K2 begins with the 26th edition of the world-renowned and popular soccer video game series. FIFA Soccer 2K2 comes to next generation consoles, giving players a fresh new look at the beautiful game of football. This is an all-new version of FIFA for the PlayStation Vita. FIFA Soccer 2K2 offers several advancements to the existing FIFA series, including Face The Ball Control, which is a new way to play the game. Face the Ball allows you to effortlessly pull off powerful and complex dribbles as you build, change, and tinker with your team while controlling your player's runs and passes. Performers like Mesut Ozil, Dani Alves, and Arjen Robben love to Face The Ball and can be found doing so around the world. Face the Ball Technology allows you to follow the ball and control your players through any motion on the field. Face the Ball also allows players to be more expressive when in possession. Similarly, FIFA Soccer 2K2 introduces support for Reality Motion, a new player camera model that creates even more depth and allows players to truly see and be seen on the pitch. FIFA Soccer 2K2 also features Camera Match Intelligence which allows for a more immersive matchday experience. New to FIFA Soccer 2K2, Club Essentials. The Club Essentials add-on will give the Ultimate Team a chance to create and customize their club in FIFA Soccer 2K2. You will have the opportunity to change your club's kit, manager, transfer targets, stadium, and much more. The Club Essentials also allows you to take advantage of the true value of FIFA points in every mode of the game. Key features: Play your way Face The Ball Control allows for more expressive and fluid techniques, making you a more versatile and powerful player.
