What's New In?

The surface of your iPhone screen may feel cold in the cool winter or hot during the sizzling summer. But it's not that much of a problem because

the iPhone's cover is removable. What you may not know is that it's too easy to scratch your iPhone's screen. The only way to make your iPhone screen safe is to purchase an iPhone screen protector. These screen protectors are simple and fairly easy to apply to your iPhone. If you're looking to make the best cover for your new iPhone, we highly recommend applying one of the top 10 best iPhone screens covers that are reviewed below. Continue Reading >

Many of the available apps on Android OS that provide functionality to its users are free, as well as some are paid. Although free applications can be quite useful, there are also paid or premium apps which can be used to enhance the Android. Categories Continue Reading >

PDF is a very useful document format, which can be used to open and edit a wide variety of documents. It is possible to open and edit the files even with the system in offline mode. A small but a powerful tool, Quick PDF to Word Converter let the users create Microsoft Word documents by directly converting PDF to word files from the files stored on your Android device. In this article, we will show you all the features you will get while using the Quick PDF to Word Converter. What is Quick PDF to Word Converter? With the recent surge in penetration of iPads, Android tablets are expected to see a surging demand in the market. This growth is expected to push manufacturers to introduce quality Android tablets at affordable prices, which is perhaps the reason why they're offering a new version of the Nook Tablet just in time for the holiday season. As expected, the latest Nook Tablet that is being released at the moment has been equipped with Android 4.0 KitKat operating system, a re-imaging that makes it look and feel much closer to the iPad, the most popular tablet in the market. If you have been looking for a new tablet, the Nook Tablet might be just what you are looking for. And if so, here are some of the reasons why you should buy this tablet as soon as you can.
