After you download and install Sexy Software Uverse TV Guide, you will be  
able to easily and effectively manage your home theater experience. Sexy  
Software Uverse TV Guide can help you organize your available television,  
movie, and recording options in one simple application. This Uverse TV Guide  
software comes with easy-to-use tools such as a calendar, reminder features,  
and advanced controls. This Uverse TV Guide operates on all Windows  
platforms, making it compatible with the majority of systems. Features of  
Sexy Software Uverse TV Guide Sexy Software Uverse TV Guide is packed  
with useful, convenient features and tools. Quick Launch Control Panel: you  
can launch any program with a simple click of a button. This function is  
perfect for quickly accessing favorite programs and installing updates.  
Interactive Calendar: calendar organization is a breeze with Sexy Software  
Uverse TV Guide. You can easily access your calendar items, including  
scheduled programs, from any where on your PC. To add a calendar item,  
simply click on the "New item" button. You can then set a start and end time  
for the event, add a description, and name it. You can also add up to nine  
events at the same time. Movies and Recordings: sorting and managing your  
movies is simpler than ever. You can see everything in one place at all times,  
and you can organize your recorded programs into easily searchable  
categories. You can also search your movies by genre, title, and year. Easy To  
Use: your TV Guide will arrive on your computer with easy-to-use icons and  
easy-to-understand controls. You can
