Reduced Testicle Reduced Testicle is a 1999 novel by Dutch author Herman Koch. It was published in Dutch as Een uitgebreider gezicht and in English as A Redundant Face. The novel focuses on a surgeon who specializes in plastic surgery. In the beginning of the novel, the protagonist sees a young boy with a child-sized head. He is led to believe that the boy is a genius and would be a very great aid to him in his researches. However, this turns out to be a lie. The truth is that the boy was born with one of his testicles smaller than usual. Although this may seem trivial, the protagonist sees 1cdb3666d
