Description:Sunny Deol, best known for his role in Shoojit Sircar's blockbuster "Kaabil" makes his comeback as a spy in this spy movie, "Gadar: Ek Prem Katha". This is an action entertainer with an edge of humor. Longitudinal growth and carcass traits in male Guzerat sheep. The most highly heritable traits in sheep are growth and lean body mass. Advantages of using Guzerat as a meat breed include that they are extremely prolific and especially when reared and slaughtered under intensive management systems. Under good environmental conditions, growth traits such as body weight gain (BWG) and backfat thickness (BF) are highly heritable (0.80-0.90). But BWG and BF are dependent on the ratio of live weight to BWG (LW/BWG), and have therefore low heritability (
