From the above code it is very obvious that you have downloaded the wrong folder. You can download it from. Check the code above, it's also downloading the same folder. So it's clear that your code is downloading v8 instead of v9. 70 SHARES Share Tweet This is one of the things I simply love about the madness. Some people who are merely so enlightened, that they have absorbed all the knowledge which they could ever need to know. They have so much passion and power to absorb knowledge that they want to share this with the rest of the people around them. The teacher here is actually Bruno Luciano, he is an madness enthusiast and known to be the face of the emerging internet sensation. Some of his students are being all amazed. And one of his female students is actually having a hard time to control her emotions, she was saying that he was so inspiring, that she had never had a teacher like that before. The madness teacher was sitting in a chair, wearing a track suit suit, with a pair of headphones and a laptop on his lap. He had a foot on the desk and was smiling at his student in front of him. The whole thing was captured and recorded by the lady who was studying with him. He was talking at his student, saying. "You look like you are feeling pretty good, but I can tell you are not happy, let me guess what is troubling you?" The student is trying to control herself, but it was clear that she was having trouble to manage her emotions. She is even pretending to breathe deeply, but her eyes are not glued to the teacher, they are looking all over the room. She turns her head and she was, with a major smile, looking at his hands. "Are you having trouble getting yourself to your grades? Myself I did not, when I had to do studies, I'd eat, do my homework, and get my grades." "Who has been writing down your homework for you? There are some people who are very intelligent and they can work even when they are having trouble with their studies." The lady was still trying to control her own emotions. She was looking at his hands and
