The Elden Ring Cracked Accounts, the renowned social RPG, has just unveiled its new fantasy action RPG, "Elder Tale." The newest fantasy action RPG written by our passionate team of directors and developers tells the story of a young man who wakes up in a beautiful garden as a being in between both worlds, and decides to play the role of a hero, and to find the path to attaining his power within the multi-layered fantasy world. For the first time in an action RPG, the story and setting are told from the perspective of a young protagonist. The game will depict an exciting adventure where you can enjoy an open world with various events unfolding around you, and enjoy the story using a nonlinear structure. -----

----- No (No) In-App Purchases: Unknown (No) Requires In-App Purchases: Yes (Yes) Developer(s): Nebulous Corp. Co., Ltd. Application/Platform: iOS, Android Developer Association: Apple App Store, Google Play Available: Worldwide. Unit Price: \$12.99 Description : Life is on the brink in the city. A creature rampages, attacking the civilian population. It is merely the beginning of another era. An unknown evil has arisen in the city. Just as you arrive at the scene, a young girl is rushing into you in an attempt to flee the nearby area. From a distance, you see a policeman helping a group of women out of the area to which the perpetrator ran. A foreign ship has also arrived at the port, and the suspicions surrounding it has the city in a state of turmoil. Find out who is behind the incident! This is not a story about a drama that went down the drain; this is a drama that becomes a living hell. Elder Tale follows a young man named X in his journey to discover the truth behind the conspiracy. As you investigate the truth behind this affair, you will encounter various characters and have to decide how to proceed while continually uncovering the mysterious situation around you. In a vast fantasy world, with various characters, the story unfolds through a unique nonlinear approach, allowing you to freely enjoy the story from the start to the end. As you complete the main story and reach the end, you will be able to experience a new story, a sequel of sorts, in what is called the "Side Story."
