The short story writing process is fascinating to me. After I've written a short story or a dozen, I can get a little daunted about how to go about making it into a novel. The characters, the setting, the construction of the plot, everything needs to be mastered, and in a way I am looking backwards - towards the original writing and trying to make sense of it. In the last two or three years, I have been increasingly involved in writing novels - partly because I feel obliged to, partly to relax my writing muscles and explore new forms - but also, perhaps, because I'm interested in the idea of a novel. Am I doing the right

FIFA stands for Forza Italia Football Association. Some people prefer FIFA or football. The EA SPORTS FIFA video game series is world-renowned for its realistic gameplay, authentic atmosphere and most importantly its tournaments. Today, the FIFA world has come together for the ultimate edition of the most popular and authentic football video game around the world. FIFA 20 allows players to experience the best version of the most authentic football simulation on the planet, with more playable leagues, players and tournaments than ever before. Featuring two brand-new stadiums, more authentic celebrations and gameplay improvements, FIFA 20 returns football to its grandest stage in a way that has never been seen before. A New Season of Innovation 2014 marks the 25th anniversary of EA SPORTS FIFA and the North American division of Electronic Arts celebrated with The Journey 2 Journey: The Secret of Icaria. To celebrate, FIFA released an updated engine that serves as a foundation for the series while the game was released with a focus on new content and gameplay features. FIFA 20 is the best, most realistic football gaming experience to date. The gameplay engine is updated and new with numerous innovations, bringing the game one step closer to real life. There are new game mechanics, new gameplay features, new coaching elements, and improved ball physics. Players will notice a great deal of improvements in various areas including an improved AI, ball control, player movement and balancing. New Career Mode In Career Mode, players will be able to experience new career modes, including the Pro Draft, in which players will use FIFA's new Draft tool to build their team of 25 starting players. Players will be able to experience new content including the new Premier Division. The simulation element of Career Mode allows players to create a team that reflects their playing style. The initial tools allow players to assign attributes such as strength, stamina, speed and more to players. Players will also get their first chance to work with Draft Tools, which allows players to change the attributes of specific players on the same team. Powered by Football FIFA 20 introduces new gameplay features, including Finesse Shots, a new range of skills, and Tactical Defending, which allows you to take the lead and help your team retain possession. This season of innovation will also mark the introduction of the new Pro Draft which allows players to build and manage their team of 25 players. FIFA 20 comes with a new Level Editor tool, which allows the creation of
