If you would like to participate please read the instructions. What is Goez? In Arabic, "goe" means "war" and "z" is a number one. So the words goe0z1 mean "Every war - it's number one." The magazine Goe0z began publication in 2008. The ideas that we are formulating now is to take the "goe" part out to indicate that Goe0z is a modern independent magazine that has a vision. We plan to send this message in simple terms in the future so all Goe0z readers can understand it. Please keep supporting Goe0z as we continue to do so. We want to celebrate Goe0z's 10 year anniversary in 2015, so we are working to find people who want to join us and help us improve the quality of our magazine. We are planning to interview and share stories of women who have suffered in wars with each other and with their own countries. We want to start with women who still are living in
