I don't have anything, i only have the the error. I tried to do it again, with a clean installation of node using npm install node@latest, but then it has the same problem. I think this is enough information to solve my problem, let me know if there is a need to add something, I'm relatively new to programming By the way, the problem is that npm i node@latest needs to be done in the folder where the package.json file is. A: You could maybe try to delete the directory node_modules and run npm install once again. Selling points Key selling points The Bentley Flying Spur has much improved levels of comfort, equipment, looks and practicality. The standard equipment is upgraded to the same levels as the new Mulsanne. You get dual-zone climate control, automatic wipers, automatic air conditioning, rear and side curtain airbags and other standard features. The list of options is even better, too, with all the chrome trims, personal climate control, bi-xenon headlights

and back-up camera standard.

Warranty The manufacturers' warranty is 5 years or 100,000 miles for the engine; 5 years or 60,000 miles for the automatic transmission; 5 years or 50,000 miles for the power steering; 5 years or 45,000 miles for the air conditioning; 10 years or 100,000 miles for the interior and exterior paint; and there is an accidental damage waiver, providing you have it registered.

How we compare Manufacturer's recommendation Select a car for a fantastic journey There are so many cars on the market it's hard to find the one that will suit you perfectly. Take a look at this list of the 100 best-selling cars to find your perfect vehicle.

Price The best vehicles will cost around £45,000 to £60,000, although this depends on the car model, size and options.

Engine size Regardless of engine size, it's the car's performance and efficiency that really counts.

Driving position Your driving position is important, but

safety is paramount. Handling Oomph is important, but handling should not compromise safety. Brake feel Brake feel is important, but initial responsiveness is also important. Size Size is important
