## Fifa12 Config.exe

There is a crash error when I try to run fifaconfig.exe and then click Game Settings- here's the link for the photo: I went to the root folder of the game and saw a Config.exe file.. Opened it and went to Settings.. then Changed the Resolution. if you have got any trouble with fifa config.exe or fifa config EXE file and win 10 system, then this is the solution for you. This description will discuss how to configure fifaconfig.exe for fifa 15. Features of fifa config.exe are: config.exe is EA Sports FIFA configuration. No built-in support is provided for automatic configuration of the game. The fifa config.exe program will automatically configure the following settings for EA Sports FIFA 15: It's not a virus or any computer threat. It's just a game configuration app for game fifa 14. and i have finished the configuration.. The game run normally again. I have to play the game normally to use fifa 14 config.. But with fifa 12 config.exe you don't have to restart the game to stop its sound, but you have to restart the game to start its sound again. I just want to remove the sound and make it possible to play the game with only game sounds. I try to download fifa 12 config.exe and it's not a virus or any computer threat. It's just a game configuration app for game fifa 14. and i have finished the configuration.. The game run normally again. I have to play the game normally to use fifa 14 config.. But with fifa 12 config.exe you don't have to restart the game to stop its sound, but you have to restart the game to start its sound again. I just want to remove the sound and make it possible to play the game with only game sounds.
