This volume contains the result of extensive research, including a 400-page introduction and twelve articles written by scholars who trace the connections between Shakespeare's work and Bunyan's in a quest for mutual influence. The volume is critical to your understanding of the two authors and the works they wrote. The research is based on a collection of sources including Bunyan's autobiography, various papers written about Bunyan's life and works, historical correspondence and other primary documents, and many published articles. The collection also includes an introduction by theatre historian Robert Davis and a script of The Pilgrim's Progress, an adaptation of Bunyan's famous novel by the original author and editor of the play, Sir John Bullokar. The text of the play, arranged in a chronological sequence, is followed by facsimiles of the front and back covers of the original 1837 edition of the novel, including numerous illustrations that were omitted from subsequent editions. John Bunyan (1628-1688), a writer and preacher, is best known as the author of The Pilgrim's Progress, first published in 1678. The Pilgrim's Progress tells the tale of Christian as he travels on his pilgrimage to the Celestial City, looking for the lost home of his childhood, amid trials and temptations along the way. The novel was written during Bunyan's time in Bedford jail for preaching without a license, as well as during and after his imprisonment for debt. Bunyan's book is most commonly categorized as a Christian allegory; while in some ways this is correct
