Isla Creek Lighthouse was built in 1864 and is the oldest lighthouse in the U.S. state of Mississippi. The lighthouse was established in 1864 to aid navigation on the Mississippi River, although it was never fully operational until 1911, due to a lack of funding from Congress. From 1912 to 1915 the lighthouse was automated. [SOURCE : ISSUE DATE : 16/09/2017]

STAGE I: POST INSTALLATION APPLICATION (Please refer to the following checklist and the "Guidelines" section for a list of items that should be collected after your device has been restored. The steps for the initial setup process, installation and update, and troubleshooting instructions are located in the "Getting Started" section of the user manual.)

STEP 1: SYSTEM INFORMATION (If the device information is not listed above, then your device is not installed. See the following "getting started" section for detailed system recovery instructions.)

VIA GAZETTEER APP General Communications. The devices are pre-configured for basic communications using the NCS (Network Configuration Service) protocol. (e.g. GPRS/EDGE, 3G, 3G HSPA, Wi-Fi). If you have a SIM card, they will be configured accordingly. You may use a SIM card from one of the major service providers in your country (e.g. Vodafone, China Mobile, Globe, SK Telecom) to make calls, send SMS messages, and use the Internet.

External Storage. The devices are configured for use with external storage devices.

Step 2: SYSTEM REPAIR (Please refer to the "Getting Started" section for detailed system recovery instructions.) Press and hold the power button until the device shuts off. **NOTE:** If the device shuts off without any warning before you can complete the repair, simply restart it, hold down the power button again until it shuts off, and repeat the instructions above. Power on the

device by pressing and holding the power button until the device powers on. If you are prompted to press the back button to power on, press it to select the language you want to use (for example, English, French, Japanese, etc.) Step 5: TURN ON PASSWORD PROTECTION (Please refer to the "Getting Started" section for detailed system recovery instructions.)
