How to Download and Install Trans-Siberian Railway Simulator Crack Serial Key

Trans-Siberian Railway Simulator is a game that lets you experience the thrill and challenge of driving a classic Russian locomotive on the longest railway line in the world. You will have to deal with wild animals, bad people, severe frosts and constantly changing weather as you try to survive and deliver your cargo. If you want to play this game for free, you will need a crack serial key that bypasses the Steam activation. Here are the steps to download and install Trans-Siberian Railway Simulator crack serial key:

1. Download the game files from a trusted source. Make sure you have enough space on your hard drive.
2. Extract the game files using WinRAR or 7-Zip. You will get a folder named "Trans-Siberian Railway Simulator".
3. Download the crack serial key from a reliable website. You will get a file named "TSRS_Keygen.exe".
4. Run the keygen and click on "Generate". You will get a random serial key that looks like this: XXXXX-XXXXX-XXXXX-XXXXX-XXXXX.
5. Copy the serial key and paste it in a text file. Save it as "TSRS_Key.txt".
6. Open the folder "Trans-Siberian Railway Simulator" and find the file named "steam_api.ini". Open it with Notepad or any text editor.
7. Find the line that says "SteamAppId=998400" and change it to "SteamAppId=480". This will make the game run as Spacewar, a free Steam game.
8. Find the line that says "SteamUser=CODEX" and change it to "SteamUser=Your_Steam_Username". This will make the game use your Steam account.
9. Save and close the file.
10. Copy the file "TSRS_Key.txt" and paste it in the same folder as "steam_api.ini".
11. Run the file named "TSRS.exe" as administrator. The game will launch and ask you to enter the serial key.
12. Open the file "TSRS_Key.txt" and copy the serial key. Paste it in the game activation window and click on "Activate".
13. The game will verify the serial key and start loading. Enjoy!
