

## Mass Effect 3 Ultimate Collectors Edition-3DM Repack UPDATED

# Mass Effect 3 Ultimate Collectors Edition-3DM Repack: A Review

Mass Effect 3 is the final installment of the epic sci-fi trilogy that follows Commander Shepard and his team of galactic heroes as they fight against the Reapers, a race of ancient machines that threaten to wipe out all organic life in the galaxy. The game features a rich story, immersive gameplay, and stunning graphics that will keep you hooked until the end. But if you want to experience Mass Effect 3 in its full glory, you might want to check out the Ultimate Collectors Edition-3DM Repack, which includes not only the base game, but also all the DLCs, add-ons, and extras that were released for it. This repack is a compressed format that reduces the size of the game from over 40 GB to just 9 GB, making it easier to download and install. The Ultimate Collectors Edition-3DM Repack contains the following content:

- Mass Effect 3 Game
- Mass Effect 3: From Ashes DLC
- Mass Effect 3: Extended Cut DLC
- Mass Effect 3: Leviathan DLC
- Mass Effect 3: Omega DLC
- Mass Effect 3: Citadel DLC
- Mass Effect 3: Genesis 2 DLC
- Mass Effect 3: Firefight Pack DLC
- Mass Effect 3: Groundside Resistance Pack DLC
- Mass Effect 3: Alternate Appearance Pack 1 DLC
- Mass Effect 3: Alternate Appearance Pack 2 DLC
- Mass Effect 3: N7 Collector's Edition Pack DLC

- Mass Effect 3: N7 Eagle Pistol DLC
- Mass Effect 3: N7 Typhoon Light Machine Gun DLC
- All Updates and Patches up to v1.5 (ALT\_PVF)

If you want to download and install this repack, you will need a torrent client such as uTorrent or BitTorrent. You can find the torrent file for this repack on various websites, such as SolidTorrents[^1^]. Once you have downloaded the torrent file, open it with your torrent client and choose a location to save the game files. The download may take some time depending on your internet speed and the number of seeders and leechers. After the download is complete, you will need to extract the game files using a program such as WinRAR or 7-Zip. You will see a folder named 3dm-meuc3n7p that contains many files with .rar or .s16 extensions. You only need to extract the first file (3dm-meuc3n7p.rar) and the rest will be extracted automatically. This may also take some time depending on your computer performance. Once the extraction is done, you will see another folder named Mass Effect 3 Ultimate Collectors Edition-3DM that contains the game files. To install the game, you need to run the setup.exe file and follow the instructions. You can choose a different language and installation directory if you want. The installation may also take some time depending on your computer performance. After the installation is finished, you can run the game by using the MassEffect3.exe file in the Binaries\Win32 folder. You don't need to apply any crack or patch as the game is already cracked by 3DM. You can also use the Launcher.exe file in the main folder to change some settings or access some extras. Enjoy playing Mass Effect 3 Ultimate Collectors Edition-3DM Repack!
