How to Download PhotoImpact Gallery for Free

PhotoImpact is a powerful and versatile photo editing software that allows you to create stunning images and graphics. Whether you want to enhance your photos, design your own logos, or create amazing digital art, PhotoImpact has the tools and features you need. One of the most popular features of PhotoImpact is the Gallery, which is a collection of over 2,000 royalty-free images, clipart, frames, textures, and backgrounds that you can use for your projects. The Gallery also includes hundreds of templates and effects that you can apply to your photos with just a few clicks. If you are looking for a way to download PhotoImpact Gallery for free, you have come to the right place. In this article, we will show you how to get PhotoImpact Gallery without paying a dime. All you need is a computer with an internet connection and some basic knowledge of how to download and install software.

Step 1: Download PhotoImpact Trial Version

The first step to get PhotoImpact Gallery for free is to download the trial version of PhotoImpact from the official website. The trial version is fully functional for 30 days and includes all the features and tools of the full version, including the Gallery. To download PhotoImpact trial version, follow these steps:

- Go to https://www.photoimpact.com/download/ and click on the "Download Now" button.
- Choose a location on your computer where you want to save the file and click on "Save".
- Wait for the download to complete. The file size is about 163 MB.
- Double-click on the downloaded file to launch the installer.
- Follow the instructions on the screen to install PhotoImpact on your computer.
- When the installation is finished, launch PhotoImpact from your desktop or start menu.

Step 2: Access PhotoImpact Gallery

The second step to get PhotoImpact Gallery for free is to access the Gallery from within PhotoImpact. The Gallery is located in the EasyPalette panel, which is a dockable window that contains various categories of resources that you can use for your projects. To access PhotoImpact Gallery, follow these steps:

- In PhotoImpact, go to "Window" > "EasyPalette" to open the EasyPalette panel.
- In the EasyPalette panel, click on the "Gallery" tab to view the Gallery categories.
- You can browse through the categories by clicking on them or using the arrow buttons at the bottom of the panel.
- You can also search for a specific image or template by typing a keyword in the search box at the top of the panel.
- To use an image or template from the Gallery, simply drag and drop it onto your photo or canvas.
- You can resize, rotate, crop, or edit the image or template as you wish.

Step 3: Save Your Work

The final step to get PhotoImpact Gallery for free is to save your work. You can save your work in various formats such as JPEG, PNG, GIF, BMP, TIFF, PSD, or UPI (PhotoImpact native format). To save your work, follow these steps:

- In PhotoImpact, go to "File" > "Save As" to open the Save As dialog box.
- Choose a location on your computer where you want to save your file and enter a file name.
- Choose a file format from the "Save as type" drop-down menu. If you want to preserve all the layers and effects of your work, choose UPI format.
- Click on "Save" to save your file.

Congratulations! You have successfully downloaded PhotoImpact Gallery for free and used it for your photo editing projects. You can enjoy using PhotoImpact Gallery for 30 days without any limitations. After that, you can either purchase PhotoImpact full version or uninstall it from your computer
