# One Night at Flumpty's 3 APK: A Horror Game with a Twist

If you are looking for a horror game that will keep you on the edge of your seat, then you might want to check out One Night at Flumpty's 3 APK. This is the third and final installment of the popular fan-made series based on Five Nights at Freddy's, but with a twist. Instead of animatronic animals, you have to deal with an egg-shaped serial killer named Flumpty Bumpty and his bizarre friends. They are immune to the plot and can transcend time and space, so they can do whatever they want with you. Can you survive until 6 AM in their twisted game of hide and seek?

## Introduction

### What is One Night at Flumpty's 3?

One Night at Flumpty's 3 is a simulation game developed by Clickteam USA LLC. It was released in October 2021 for Android devices. It is the final part of the One Night at Flumpty's trilogy, which started as an inside joke and became a cult hit among horror fans. The game is inspired by Five Nights at Freddy's, but with its own original characters, story, and gameplay mechanics.

### Why should you play it?

One Night at Flumpty's 3 is not your typical horror game. It combines humor, suspense, and terror in a unique way. You will never know what to expect from Flumpty and his friends, as they can change the rules of the game at any moment. You will also encounter many references, easter eggs, and secrets that will make you laugh or scream. The game has a high replay value, as there are different endings, modes, and challenges to unlock. If you are a fan of horror games, especially Five Nights at Freddy's, then you should definitely give One Night at Flumpty's 3 a try.

## Gameplay and Features

### How to play One Night at Flumpty's 3

The gameplay of One Night at Flumpty's 3 is similar to the previous games in the series. You are trapped in an abandoned complex full of deadly traps and creepy monsters. You have to survive from midnight to 6 AM by using your camera and flash to monitor the movements of Flumpty and his friends. You also have to keep yourself warm by going back to the room with the stove every once in a while, as the temperature drops with each passing hour. If you fail to do so, you will freeze to death. You have no other means of defense or escape, so you have to rely on your wits and luck.

### What are the main features of One Night at Flumpty's 3

#### Plot immunity and reality warping

One of the most distinctive features of One Night at Flumpty's 3 is that Flumpty is immune to the plot and can transcend time and space. This means that he can do whatever he wants with you and the environment, without any logic or consistency. He can change his appearance, teleport around, create portals, distort reality, resurrect himself or others, and more. He can also break the fourth wall and talk to you directly through the phone or the intercom. He is unpredictable and unstoppable, so be

## **Camera and flash**

Another feature of One Night at Flumpty's 3 is that you have to use your camera and flash to keep track of the enemies and protect yourself. You have a limited battery life for both devices, so you have to use them wisely. The camera allows you to see the different rooms of the complex and the locations of the enemies. The flash allows you to stun the enemies for a few seconds if they get too close to you. However, some enemies are immune or resistant to the flash, so you have to be careful.

## **Freezing room and stove**

A new feature of One Night at Flumpty's 3 is that you have to deal with the freezing temperature of the complex. As the night progresses, the temperature drops and you start to feel cold. If you let your body temperature reach zero, you will die of hypothermia. To prevent this, you have to go back to the room with the stove every once in a while and warm yourself up. However, this also means that you have to leave your camera and flash behind, making you vulnerable to the enemies.

## **Multiple enemies and jumpscares**

One Night at Flumpty's 3 features many enemies that will try to kill you in different ways. Some of them are familiar from the previous games, such as Flumpty, Birthday Boy Blam, The Beaver, The Redman, and Eyesaur. Some of them are new, such as Grunkfuss the Clown, The Owl, Golden Flumpty, and The Egg. Each enemy has its own behavior, pattern, and weakness. You have to learn how to deal with each one of them and avoid their jumpscares.

## **Hard-boiled mode and secrets**

If you manage to beat One Night at Flumpty's 3 on normal mode, you will unlock hard-boiled mode. This is a more challenging mode where the enemies are faster, smarter, and more aggressive. You will also face new threats and surprises that will test your skills and nerves. Additionally, One Night at Flumpty's 3 has many secrets and easter eggs that you can discover by exploring the complex, interacting with objects, or triggering certain events. You might find hidden messages, references, jokes, or even mini-games.
