How to Get Unlimited Digital Photos at Chessington

What are unlimited digital photos? They are photos that are taken by professional cameras on selected rides and attractions at Chessington. They are stored online and you can access them anytime using your smartphone or computer. You can download them as many times as you want, share them on social media, or print them out. You can also create products with them, such as mugs, magnets, keyrings, posters, canvases, and more.

How do you get unlimited digital photos? You have two options: you can buy them online in advance or on the day of your visit. If you buy them online in advance, you will save £5 and pay only £20 for unlimited digital photos for up to 6 people. You will also get a free wristband that you can scan at the photo collection points. If you buy them on the day of your visit, you will pay £25 for unlimited digital photos for up to 6 people. You will get a receipt with a barcode number that you can use to access your photos online.

Tips and Tricks for Taking Great Photos at Chessington

Taking photos at Chessington is not only fun, but also easy. However, there are some tips and tricks that can help you take even better photos and make them more memorable. Here are some of them:

First, choose the right time, angle, lighting, and background for your photos. For example, you can take photos early in the morning or late in the afternoon when the sun is not too bright or harsh. You can also take photos from different angles and perspectives to capture different aspects of the rides and attractions. You can also look for natural or artificial light sources that can enhance your photos, such as lamps, lanterns, or fireworks. Finally, you can choose a background that matches the theme of the ride or attraction, such as a jungle, a castle, or a sea life scene.

Second, capture fun and memorable moments on different rides and attractions. For example, you can pose, smile, wave, or make funny faces when the camera flashes on the rides. You can also capture your reactions and emotions when you see or interact with the animals. You can also take selfies or group photos with your friends and family on the rides or attractions. The more expressive

and creative you are, the more fun and memorable your photos will be.

Third, enhance your photos with filters, stickers, frames, or captions using the Picsolve app or website. For example, you can add filters to change the mood or tone of your photos, such as black and white, sepia, or vintage. You can also add stickers to decorate your photos with cute or funny elements, such as animals, hats, glasses, or emojis. You can also add frames to give your photos a border or a theme, such as Halloween, Christmas, or birthday. Finally, you can add captions to write something on your photos, such as a title, a quote, or a joke.

Conclusion

Taking photos at Chessington is a great way to capture and keep your wild memories. You can get unlimited digital photos for a reasonable price and access them online anytime.
