What is app.jowi.club and how can it help your restaurant business?

If you are looking for a way to boost your restaurant sales, attract more customers, and streamline your operations, you might want to check out app.jowi.club. App.jowi.club is a web-based platform that allows you to manage your restaurant online, from ordering and booking to loyalty programs and feedback. In this article, we will explain what app.jowi.club is, how it works, and why you should use it for your restaurant business.

App.jowi.club: a smart solution for online ordering, booking, and management

App.jowi.club is a web-based platform that connects your restaurant with your customers and helps you manage your business online. With app.jowi.club, you can:

- Offer online ordering and delivery services to your customers, with customizable menus, photos, prices, and discounts.
- Accept online reservations and bookings from your customers, with a real-time table plan, availability, and confirmation.
- Control your inventory, staff, sales, and expenses, with detailed reports and analytics.
- Communicate with your customers via email, SMS, or push notifications, with personalized messages and offers.

How app.jowi.club works

App.jowi.club works as a web-based platform that you can access from any device with an internet connection. You can sign up for app.jowi.club by registering your email address and creating a password. You can then log in to your dashboard and set up your restaurant profile, menu, prices, discounts, delivery zones, table plan, staff roles, and more. You can also download the JOWi Club app from Google Play or App Store to access your account from your smartphone or tablet.

Once you have set up your account, you can start receiving online orders and bookings from your customers. Your customers can visit app.jowi.club from their web browser or mobile device and

enter your restaurant name or location. They can then browse your menu, select their items, choose their delivery or pickup option, and pay online. You will receive a notification on your dashboard or app when a new order or booking is placed. You can then accept or decline the order or booking, prepare the food, and deliver it to the customer or have them pick it up from your restaurant.

The benefits of using app.jowi.club

Using app.jowi.club can bring many benefits to your restaurant business, such as:

- Increase your sales and revenue by reaching more customers online and offering them convenient and fast ordering and delivery services.
- Reduce your costs and waste by optimizing your inventory, staff, and operations with real-time data and insights.
- Improve your customer retention and loyalty by offering them personalized offers, discounts, rewards, and communication.
- Enhance your reputation and brand awareness by collecting feedback and reviews from your customers and displaying them on your website and social media.

How to get started with app.jowi.club

Getting started with app.jowi.club is easy and fast. You can sign up for a free trial on their website and test their features for 14 days. You can also contact their support team via email or phone if you have any questions or need any assistance. After the trial period, you can choose one of their pricing plans that suits your needs and budget. You can cancel or change your plan at any time. You can also request a demo or a consultation from their experts to learn more about how app.jowi.club can help your restaurant business.

App.jowi.club: a powerful tool for customer loyalty and satisfaction

App.jowi.club is not only a platform for online ordering, booking, and management, but also a tool for building customer loyalty and satisfaction. With app.jowi.club, you can:

- Create your own loyalty program and reward your customers with points, coupons, free items, or cashback for every order or booking they make.
- Send your customers personalized offers, discounts, and promotions based on their preferences, order history, and behavior.
- Collect feedback and reviews from your customers and use them to improve your service quality and customer satisfaction.

How app.jowi.club enhances the customer experience

App.jowi.club enhances the customer experience by making it easy, convenient, and enjoyable for them to order or book from your restaurant. With app.jowi.club, your customers can:

- Order or book from your restaurant anytime and anywhere, with just a few clicks or taps on their device.
- See your menu, photos, prices, and discounts in a clear and attractive way.
- Choose their preferred delivery or pickup option, time, and location.
- Pay securely online with their credit card, PayPal, or other payment methods.
- Track their order or booking status and receive notifications when it is ready or delivered.

- Contact you directly via chat or call if they have any questions or issues.

How app.jowi.club rewards the customers

App.jowi.club rewards the customers by offering them incentives and benefits for ordering or booking from your restaurant. With app.jowi.club, your customers can:

- Earn points for every order or booking they make and redeem them for coupons, free items, or cashback.
- Receive personalized offers, discounts, and promotions based on their preferences, order history, and behavior.
- Get access to exclusive deals and events from your restaurant and other partners of app.jowi.club.
- Refer their friends and family to your restaurant and get rewarded for every referral they make.

How app.jowi.club collects feedback and reviews

App.jowi.club collects feedback and reviews from your customers and helps you use them to improve your service quality and customer satisfaction. With app.jowi.club, you can:

- Ask your customers to rate and review their order or booking experience on app.jowi.club or on other platforms like Google, Facebook, or TripAdvisor.
- See all the feedback and reviews from your customers on your dashboard or app and respond to them directly.
- Analyze the feedback and reviews from your customers and identify the areas of improvement and the best practices for your restaurant.
- Showcase the feedback and reviews from your customers on your website and social media to attract more customers and increase your reputation.

App.jowi.club: a flexible and affordable option for any restaurant

App.jowi.club is a flexible and affordable option for any restaurant, regardless of its size, type, or location. With app.jowi.club, you can:

- Adapt app.jowi.club to fit your restaurant's needs and preferences, with customizable features and settings.
- Choose a pricing plan that suits your budget and goals, with no hidden fees or commissions.
- Integrate app.jowi.club with other platforms and services that you use for your restaurant, such as POS systems, accounting software, delivery partners, etc.

How app.jowi.club adapts to different types of restaurants

App.jowi.club adapts to different types of restaurants by allowing you to customize its features and settings according to your needs and preferences. For example, you can:

- Create different menus for different occasions, such as breakfast, lunch, dinner, catering, etc.
- Add different categories, subcategories, modifiers, options, extras, etc. to your menu items.
- Set different prices, discounts, taxes, fees, etc. for your menu items.
- Create different delivery zones, time slots, fees, minimum order amounts, etc. for your delivery services.

- Design your table plan, assign different roles and permissions to your staff, set different reservation policies, etc. for your booking services.
- Customize the look and feel of your website and app, with your logo, colors, fonts, images, etc.
