# How to Find Your Le Robert Correcteur Serial Number

Le Robert Correcteur is a powerful software that helps you write better French by correcting spelling, grammar, syntax, and style errors. It also offers synonyms, definitions, conjugations, and more. If you have purchased Le Robert Correcteur, you will need to enter your serial number to activate it and enjoy its full features.

But what if you have lost or forgotten your serial number? Don't worry, there are some ways to find it. Here are some tips:

- Check your email. When you bought Le Robert Correcteur online, you should have received an email confirmation with your serial number. Search your inbox for "Le Robert" or "Correcteur" and see if you can find it.
- Check your account. If you have created an account on the Le Robert website, you can log in and access your serial number from your profile. Go to <https://www.lerobert.com/correcteur/> and click on "Mon compte" at the top right corner. Then enter your email and password and click on "Mes commandes". You should see your serial number under the product name.
- Check your CD-ROM or USB drive. If you have bought Le Robert Correcteur on a physical medium, such as a CD-ROM or a USB drive, you should find your serial number on a sticker or a card inside the package. Look for a 16-digit code that starts with "CR".
- Contact customer service. If none of the above methods work, you can contact Le Robert customer service and ask for help. You will need to provide some information to prove your purchase, such as your name, email address, order number, date of purchase, etc. You can contact them by phone at +33 (0)1 44 39 10 00 or by email at [contact@lerobert.com](mailto:contact@lerobert.com).
