# Tekken 3 APK Download: How to Play the Classic Fighting Game on Your Android Device

Tekken 3 is one of the most iconic and beloved fighting games of all time. Released in 1997 for arcades and PlayStation, it revolutionized the genre with its 3D graphics, fluid gameplay, diverse cast of characters, and various modes. It has sold over 8 million copies worldwide and is widely regarded as one of the best video games ever made.

But what if you want to play Tekken 3 on your Android device? Well, you're in luck, because there is a way to do that. You can download the Tekken 3 APK file, which is a modified version of the original game that is optimized for your smartphone or tablet. In this article, we will tell you everything you need to know about Tekken 3 APK download, including its features, advantages, disadvantages, download process, tips and tricks, reviews, and FAQs.

## Features of Tekken 3 Game and Its APK Version

Tekken 3 game has many features that make it a masterpiece of fighting games. Here are some of them:

- **3D gameplay:** Unlike its predecessors, Tekken 3 offers 3D gaming, adding depth and strategy to the combat experience. You can sidestep in or out of the background, jump more realistically, perform reversals, escapes, juggling, and combo throws.
- **Engaging single-player modes:** The single-player modes available in Tekken 3 are arcade mode, survival mode, and team fight mode. Each mode has its own challenges and rewards. You can also unlock a new beat 'em up mode called Tekken Force, where you fight against enemies in a side-scrolling fashion, and a bonus mode called Tekken Ball, where you play a crazy version of volleyball with a ball that can inflict damage.
- **Multiplayer support:** Tekken 3 supports both local and online multiplayer. You can play with your friends or challenge other players around the world. You can also customize your matches with different rules and settings.
- **Diverse cast of characters:** Tekken 3 features 23 different characters, each with their own unique moves, combos, and styles. You can choose from old favorites like Heihachi Mishima, Nina Williams, King, Kuma, Paul Phoenix, Lei Wulong, Yoshimitsu, and more. You can also discover new characters like Jin Kazama, Ling Xiaoyu, Bryan Fury, Eddy Gordo, Hwoarang, Forest Law (son of Marshall Law), Julia Chang (daughter of Michelle Chang), Ogre (the final boss), True Ogre (the secret boss), and more. There are also two PlayStation-exclusive characters: Dr. Bosconovitch (a former Soviet scientist) and Gon (a tiny dinosaur).
- **Visuals and sound effects:** Tekken 3 has stunning graphics that showcase the power of the PlayStation. The characters are detailed and realistic, the backgrounds are varied and colorful, and the animations are smooth and fluid. The sound effects are also terrific, adding to the impact of every punch, kick, throw, and hit. The music is nothing short of amazing, featuring catchy tunes that match the mood of each stage.
- **Characters customization:** You can also customize your characters with different costumes, accessories, colors, hairstyles, and more. You can unlock new items by playing different modes or by using cheat codes. You can also create your own custom teams with different combinations of characters.

The

## Advantages of Downloading the Tekken 3 APK File

While downloading the Tekken 3 APK file may have some disadvantages, it also has some advantages that make it worth trying. Here are some of them:

- **Easy access:** You don't need to have a PlayStation console or a CD-ROM to play Tekken 3 on your Android device. You just need to download the APK file and install it on your phone or tablet. You can also play it offline without any internet connection.
- **Free of cost:** You don't need to pay any money to download or play Tekken 3 on your Android device. The APK file is available for free on various websites and does not require any in-app purchases or subscriptions.
- **Complete version:** The APK file gives you access to the complete version of Tekken 3, with all the features, modes, characters, and stages. You don't need to unlock anything or wait for updates. You can enjoy the full game as it was originally released.
- **Customization:** The APK file allows you to customize your game settings, such as the difficulty level, the sound effects, the language, and more. You can also use cheat codes to unlock hidden items, characters, and modes.

## Disadvantages of Downloading the Tekken 3 APK File

However, downloading the Tekken 3 APK file also has some drawbacks and risks that you should be aware of before you proceed. Here are some of them:

- **Security issues:** Not all APK files are safe and reliable. Some of them may contain malicious software that can harm your device or steal your personal information. You should only download APK files from trusted sources and scan them with an antivirus app before installing them.
- **Compatibility issues:** Not all Android devices are compatible with the Tekken 3 APK file. Some of them may not support the game's graphics, controls, or performance. You may experience lagging, crashing, or glitches while playing the game.
- **Legal issues:** Downloading the Tekken 3 APK file may violate the intellectual property rights of the game's developer and publisher, Namco. You may face legal consequences if you are caught using or distributing the APK file without their permission.

## Download Process of Tekken 3 APK File

If you have decided to download and install the Tekken 3 APK file on your Android device, here are the steps you need to follow:

1. **Enable unknown sources:** Go to your device settings and tap on Security. Then, enable the option to install apps from unknown sources. This will allow you to install APK files that are not available on the Google Play Store.
2. **Download the APK file:** Find a website that offers the Tekken 3 APK file and tap on the download link. Make sure to choose a reputable and secure website that does not contain any viruses or malware. You can also use a VPN app to protect your online privacy and security.
3. **Install the APK file:** Once the download is complete, locate the APK file on your device using a file manager app. Then, tap on it and follow the instructions to install it. You may need to grant some permissions to the app during the installation process.
4. **Launch the game:** After the installation is done, you can find the Tekken 3 icon on your home

screen or app drawer. Tap on it and enjoy playing the classic fighting game on your Android device.

## Tips and Tricks for Playing Tekken 3 Game

If you want to improve your Tekken 3 skills, here are some tips and tricks that can help:

- **Practice your moves:** Tekken 3 has a vast array of moves and combos for each character, so make sure to practice them in training mode or arcade mode. Learn how to execute them correctly and efficiently, and how to chain them together for maximum damage.
- **Learn to block:** Blocking is an essential part of Tekken 3 gameplay, so make sure to master it. Learn how to block high, mid, and low attacks, as well as throws and unblockable moves. Blocking can save you from taking a lot of damage and give you an opportunity to counterattack.
- **Sidestep and dodge:** Besides blocking, you can also use sidestepping and dodging to avoid your opponent's attacks. Sidestepping allows you to move in or out of the background, creating a new angle for your attacks or defense. Dodging allows you to evade certain attacks by moving your body in a specific direction. You can also use these techniques to create openings for your own moves.
- **Use your rage:** When your health bar is low, you will enter a state of rage, which increases your attack power and gives you access to a special rage move. Use this opportunity to unleash your most powerful moves and turn the tide of the battle.
- **Explore different characters:** Tekken 3 has a diverse cast of characters, each with their own strengths, weaknesses, and styles. Don't limit yourself to one or two characters, but try to explore different ones and find the ones that suit your preferences and skills. You can also learn from your opponents by watching their moves and strategies.
- **Have fun:** Tekken 3 is a game that is meant to be enjoyed, so don't take it too seriously or get frustrated if you lose. Have fun with the game's modes, characters, and features, and appreciate its quality and legacy.

## Reviews of Tekken 3 Game and Its APK Version

Tekken 3 game and its APK version have received positive reviews from critics and players alike. Here are some of them:

Critic/Player	Review	Rating
IGN	"Tekken 3 is the best PlayStation game to come along in a long time. It's got all the right elements: great graphics, awesome sound effects and music, tons of moves, plenty of secrets, and most importantly, addictive gameplay."	9.5/10
GameSpot	"Tekken 3 is one of those games that is nearly impossible to put down. It's fast-paced, fun, engrossing, and extremely easy to get into. It's also one of the best-looking games on the PlayStation."	9.4/10
Metacritic (user score)	"Tekken 3 is the best fighting game ever made. It has everything: great graphics, smooth gameplay, amazing characters, awesome music, and tons of replay value. It's a masterpiece that every gamer should play."	9.2/10
APKPure (user review)	"I love this game so much. It brings back so many memories of playing it on PlayStation. The APK version works perfectly on my Android device. It's easy to download and install, and it has all the features of the original game. It's the best fighting game for Android."	5/5

# Conclusion

Tekken 3 is a classic fighting game that deserves its place in the history of video games. It has everything that makes a great game: graphics, gameplay, characters, modes, music, and more. If you want to play Tekken 3 on your Android device, you can download the Tekken 3 APK file from various websites and enjoy the full game for free. However, you should also be aware of the potential disadvantages and risks of downloading the APK file, such as security issues, compatibility issues, and legal issues.

If you are a fan of Tekken 3 or fighting games in general, you should definitely give the APK version a try. You will not regret it.

## FAQs

Here are some frequently asked questions about Tekken 3 game and its APK version:

- **Q: Is Tekken 3 APK safe to download?**
- A: Not all APK files are safe to download. Some of them may contain viruses or malware that can harm your device or steal your data. You should only download APK files from trusted sources and scan them with an antivirus app before installing them.
- **Q: Is Tekken 3 APK legal to download?**
- A: Downloading the Tekken 3 APK file may violate the intellectual property rights of Namco, the developer and publisher of Tekken 3. You may face legal consequences if you are caught using or distributing the APK file without their permission.
- **Q: How do I unlock all characters in Tekken 3 APK?**
- A: You can unlock all characters in Tekken 3 APK by playing arcade mode or by using cheat codes. To use cheat codes, you need to download a third-party app called Game Guardian that allows you to modify the game data. You can find the cheat codes online or watch some tutorials on YouTube.
- **Q: How do I play Tekken 3 APK with a controller?**
- A: You can play Tekken 3 APK with a controller by using a Bluetooth or USB connection. You need to pair your controller with your device and map the buttons accordingly. You can also use an app called Octopus that allows you to customize your controller settings.
- **Q: How do I play Tekken 3 APK with my friends?**
- A: You can play Tekken 3 APK with your friends by using a local or online multiplayer mode. For local multiplayer, you need to have two devices with the same APK file and connect them via Wi-Fi or Bluetooth. For online multiplayer, you need to have an internet connection and use an app called PPSSPP that allows you to emulate the PlayStation network.
- **Q: Where can I find more information about Tekken 3 APK?**
- A: You can find more information about Tekken 3 APK by visiting the official website of Namco, the official Tekken wiki, or various fan forums and blogs. You can also watch some videos on YouTube or Twitch that showcase the game and its features.
