You can download it from Apptoko, a third-party app store that offers free and premium apps and games for Android devices. In this article, we will tell you everything you need to know about Plant vs Zombie 2, Apptoko, and how to download Plant vs Zombie 2 Mod Apk Apptoko. Let's get started!

### What is Plant vs Zombie 2?

Plant vs Zombie 2 is the sequel to the hit tower defense game Plant vs Zombie. It was released in 2013 by PopCap Games and Electronic Arts. The game follows the adventures of Crazy Dave, a wacky gardener who travels back in time with his talking car Penny to stop the zombie apocalypse. Along the way, he meets new plants and zombies from different historical periods, such as ancient Egypt, pirate seas, wild west, far future, and more.

### The gameplay of Plant vs Zombie 2

The gameplay of Plant vs Zombie 2 is similar to the first game. You have to plant various types of plants on your lawn to defend your house from waves of zombies. Each plant has its own unique abilities and costs a certain amount of suns to plant. Suns are generated by sunflowers or fall from the sky. You can also use power-ups, such as pinching, tossing, or zapping zombies, to help you in difficult situations. The game has several modes, such as adventure, endless, mini-games, quests, and events. You can also unlock achievements, collect stars, and earn coins and gems by completing levels.

### The features of Plant vs Zombie 2

Plant vs Zombie 2 has many features that make it an enjoyable and addictive game. Some of them are:

- Over 300 levels across 11 worlds
- Over 100 plants with different powers and upgrades
- Over 200 zombies with different abilities and behaviors
- Daily challenges and special events
- Leaderboards and social features
- Stunning graphics and sound effects
- Funny dialogues and cutscenes
