# How to Download Milk Inc Songs Online

If you are a fan of dance music, you might have heard of Milk Inc, a Belgian dance group that has been making waves in the European scene since the late 1990s. Their catchy tunes, energetic beats, and emotional vocals have won them many awards and fans across the world. But how can you download their songs online and enjoy them anytime and anywhere? In this article, we will show you who Milk Inc are, why you should download their songs, where to find them, and how to do it step by step.

## Who are Milk Inc?

### A brief biography of the Belgian dance group

Milk Inc was formed in 1995 by three producers, Regi Penxten, Filip Vandueren, and Ivo Donckers, who wanted to create a commercial dance project. They initially released their first single, "La Vache", under the name Milk Incorporated, but later shortened it to Milk Inc. They also changed their female vocalists several times, until they settled with Linda Mertens in 2000.

### Their discography and achievements

Milk Inc have released seven studio albums and 41 singles so far, covering various genres such as trance, eurodance, pop, and electro. Some of their most popular songs include "Walk on Water", "In My Eyes", "Land of the Living", "Forever", and "Last Night a DJ Saved My Life". They have also performed live in many concerts and festivals, such as Tomorrowland, Sensation White, and Dance Valley.

Milk Inc have achieved much success in Europe, especially in their native Belgium, where they have topped the charts several times and won many awards. They are the current record holders for the number of TMF Awards in Belgium and the Netherlands, with a total of 17 awards received. They have also charted in other countries such as the UK, France, Spain, and Germany.

## Why download Milk Inc songs?
