## **CODM Garena 32 Bit APK 1.6.33: How to Download and Play on Android**

If you are a fan of Call of Duty, you might have heard of CODM Garena, the mobile version of the popular first-person shooter game developed by Activision and Tencent Games. CODM Garena is a free-to-play game that offers a variety of modes, maps, weapons, and characters from the Call of Duty franchise. You can enjoy the thrilling action and immersive graphics of CODM Garena on your Android device, as long as you have a compatible device and a stable internet connection.

### **What is CODM Garena?**

CODM Garena is the Southeast Asian version of Call of Duty: Mobile, which is available in other regions such as North America, Europe, and India. CODM Garena is published by Garena, a leading online game platform in Southeast Asia and Taiwan. CODM Garena has some exclusive features and events that are tailored for the local players, such as regional tournaments, seasonal updates, and special rewards.

### **Features of CODM Garena**

Some of the features that make CODM Garena stand out from other mobile shooter games are:

- **Multiple game modes:** You can choose from various game modes such as Team Deathmatch, Search and Destroy, Domination, Battle Royale, Zombies, and more. Each mode has its own rules, objectives, and challenges.
- **Diverse maps:** You can explore different maps from the Call of Duty universe, such as Nuketown, Crash, Hijacked, Crossfire, and more. Each map has its own layout, terrain, and strategic points.
- **Customizable weapons:** You can equip your favorite weapons from the Call of Duty arsenal, such as assault rifles, sniper rifles, shotguns, pistols, and more. You can also customize your weapons with attachments, skins, and camos.
- **Iconic characters:** You can play as your favorite characters from the Call of Duty franchise, such as Captain Price, Ghost, Soap, Alex Mason, and more. You can also unlock new characters by completing missions or participating in events.

- **Social features:** You can chat with your friends, join clans, create squads, and team up with other players online. You can also compete with other players in ranked matches or leaderboards.

## Requirements for CODM Garena

To play CODM Garena on your Android device, you need to meet the following requirements:

- **Operating system:** Android 4.3 or higher
- **RAM:** At least 2 GB
- **Storage space:** At least 4 GB
- **Internet connection:** Wi-Fi or mobile data (4G or higher)

## What is CODM Garena 32 Bit APK 1.6.33?

CODM Garena 32 Bit APK 1.6.33 is the latest version of the game that supports 32-bit devices.

CODM Garena 32 Bit APK 1.6.33 is the latest version of the game that supports 32-bit devices. This means that you can play CODM Garena on older or low-end Android devices that have a 32-bit processor and operating system. The 32-bit version of the game has lower graphics and performance than the 64-bit version, but it still offers the same features and gameplay as the original game.

## Why do you need CODM Garena 32 Bit APK 1.6.33?

You might need CODM Garena 32 Bit APK 1.6.33 if you have a 32-bit Android device and you want to play CODM Garena on it. The official version of the game on Google Play Store only supports 64-bit devices, which are more powerful and modern than 32-bit devices. If you try to install the official version of the game on a 32-bit device, you will get an error message saying that your device is not compatible.

However, with CODM Garena 32 Bit APK 1.6.33, you can bypass this compatibility issue and enjoy the game on your 32-bit device. You just need to download the APK file from a trusted source and install it manually on your device. You can also update the game to the latest version by downloading the new APK file whenever there is a new update available.

## How to download CODM Garena 32 Bit APK 1.6.33?

To download CODM Garena 32 Bit APK 1.6.33, you need to follow these steps:

1. Go to a reliable website that offers CODM Garena 32 Bit APK 1.6.33 for free download, such as [APKCombo](^1^) or [APKPure](^2^).
2. Search for CODM Garena or Call of Duty: Mobile - Garena in the search bar and select the game from the results.
3. Make sure that the version of the game is 1.6.33 and that it supports 32-bit devices.
4. Click on the download button and wait for the APK file to be downloaded to your device.
5. You can also scan the QR code on the website to download the APK file directly to your device.

## How to install CODM Garena 32 Bit APK 1.6.33?

To install CODM Garena 32 Bit APK 1.6.33, you need to follow these steps:

1. Before installing the APK file, you need to enable the installation of apps from unknown sources on your device. To do this, go to Settings > Security > Unknown Sources and toggle it on.
2. Locate the downloaded APK file on your device using a file manager app or your browser's downloads folder.
3. Tap on the APK file and follow the instructions on the screen to install the game.
4. You might need to grant some permissions to the game, such as access to storage, camera, microphone, etc.
5. Once the installation is complete, you can launch the game from your app drawer or home screen.

## How to play CODM Garena on Android?

Now that you have installed CODM Garena 32 Bit APK 1.6.33 on your Android device, you are ready to play the game and have some fun. Here are some tips on how to play CODM Garena on Android:

### How to create an account for CODM Garena?

To play CODM Garena, you need to create an account for the game. You can do this by following these steps:

1. When you launch the game for the first time, you will see a welcome screen with two options: Guest and Facebook.
2. If you choose Guest, you can play the game without linking your account to any social media platform. However, you will not be able to save your progress or access your account on other devices.
3. If you choose Facebook, you can link your account to your Facebook profile and enjoy the benefits of social features, such as inviting your friends, sharing your achievements, and syncing your progress across devices.
4. You can also change your account type later by going to Settings > Account and choosing the option you prefer.

### How to choose a game mode for CODM Garena?

CODM Garena offers a variety of game modes for you to choose from, depending on your mood and preference. You can access the game modes by tapping on the Mode button on the main screen. You will see three tabs: Multiplayer, Battle Royale, and Zombies. You can swipe left or right to switch between them.

- **Multiplayer:** This is the classic mode where you can play with or against other players online in different modes, such as Team Deathmatch, Search and Destroy, Domination, etc. You can also choose from different maps, such as Nuketown, Crash, Hijacked, etc. You can play in either ranked or unranked matches, depending on your skill level and competitiveness.

- **Battle Royale:** This is the mode where you can compete with up to 100 players in a large map that shrinks over time. You can play solo or in a squad of up to four players. You can also choose from different classes, such as Scout, Medic, Ninja, etc. You can loot weapons, items, and vehicles from the map and use them to survive and eliminate your enemies.
- **Zombies:** This is the mode where you can team up with up to four players and fight against waves of zombies in different maps, such as Shi No Numa, Nacht Der Untoten, etc. You can also choose from different modes, such as Survival, Raid, Hardcore Raid, etc. You can earn points by killing zombies and use them to buy weapons, perks, and traps from the map.

## How to customize your loadout for CODM Arena?

CODM Arena allows you to customize your loadout for each game mode. You can access your loadout by tapping on the Loadout button on the main screen. You will see four tabs: Primary Weapon, Secondary Weapon, Operator Skill, and Perks. You can swipe left or right to switch between them.

- **Primary Weapon:** This is the weapon that you use most often in the game. You can choose from different categories of weapons, such as assault rifles, sniper rifles, shotguns, etc. You can also customize your weapon with attachments, skins, and camos.
- **Secondary Weapon:** This is the weapon that you use as a backup or for specific situations in the game. You can choose from different categories of weapons, such as pistols, launchers, melee weapons, etc. You can also customize your weapon with skins and camos.
- **Operator Skill:** This is the special ability that you can activate once it is charged in the game. You can choose from different operator skills, such as Purifier, War Machine, Sparrow, etc. Each operator skill has its own advantages and disadvantages.
- **Perks:** These are the passive abilities that enhance your performance in the game. You can choose from different perks, such as Fast Recover, Lightweight, Hardline, etc. Each perk has its own effects and limitations.

## How to improve your skills for CODM Arena?

CODM Arena is a game that requires both strategy and skill to win. You can improve your skills for CODM Arena by following these tips:

- **Practice:** The best way to improve your skills is to practice regularly and learn from your mistakes. You can play in different modes and maps to familiarize yourself with the game mechanics, controls, and features. You can also watch tutorials, guides, and gameplay videos from other players to get some tips and tricks.
- **Adjust your settings:** You can adjust your settings to suit your preferences and device specifications. You can change the graphics, sound, sensitivity, layout, and other options to optimize your gaming experience. You can also use the custom button feature to create your own control scheme.
- **Communicate with your teammates:** You can use the voice chat or text chat feature to communicate with your teammates in the game. You can coordinate your strategies, share information, and support each other. You can also use the quick chat feature to send preset messages or commands.
- **Use the right weapons and perks:** You can use the loadout feature to customize your weapons and perks for each game mode. You can choose the weapons and perks that suit

your playstyle, role, and situation. You can also experiment with different combinations and see what works best for you.

- **Learn from the pros:** You can watch the live streams or replays of the professional players or teams in CODM Garena. You can observe their tactics, movements, aim, and decision-making. You can also join the official tournaments or events and compete with the best players in the region.
